

PRAYING & FASTING TIMETABLE

SASKATOON, SASKATCHEWAN

NOTE: The times presented in this table are **APPROXIMATIONS** based on **calculated data**. Believers should note that the *marāji' taqlīd* advise to wait a **few minutes** after the posted times before beginning their *ṣalāt*, **especially** the *fajr ṣalāt* as it is extremely difficult to calculate its exact start time. The *imsāk* time is a **recommended, precautionary** time when a believer should stop eating to ensure that they are starting their fast at the correct time – this goes for obligatory and recommended fasting.
